**LEFT WING FÚTBOL CLUB UPDATE**

**THIS SAT. – GAME ON!**

This Saturday Left Wing FC enters it’s 5th competitive tournament. Los futbolistas de Left Wing will bring their version of the beautiful game, (anti-imperialism futbol), to the fields of Skyline College in San Bruno. See directions below.

This year’s squad is an exciting blend of veteran and recent futbolistas. As usual we come internationally strong; blending playing styles from Malaysia, Peru, Mexico, Argentina and Columbia.

As many of you know, LW is still searching for it’s very first victory. Being a non-league team, we have always faced an uphill battle. Often we have faced teams that were that were above Intermediate level. This year we took the option of registering for Recreational Level. This by no means guarantees us victory, but combined with fresh talent and veteran experience the has never been a greater chance for us to take at least one of our 3 games. See table and schedule below.

**COME SUPPORT**

Left Wing has always been community based, which has created and nurtured a supportive environment for futbolistas of all skill levels. Playing in these tournaments is one form of celebration of our community. This year’s tournament team would love your support. We have gained a strong rep in these tournaments for how strong we come with our chanting, cheering and most of celebrating. Even if you can’t make it, please send your best wishes to your comrades who are excited to proudly represent our communities.
