1. **Assignment**
   a. Are there further questions about the social organization of mathematics?

2. **Presentation guidelines.**
   a. Ms. Morgan led a discussion of a website devoted to this subject. When I get the link from her I’ll post it here.
   b. I interjected some discussion of the talks I gave last year on *Definitions and Undefinability in Euclidean Geometry*. There’s a link to those slides on the course’s main webpage.
   c. *MathType* now works with *PowerPoint* to put mathematical notation on presentation slides.
