Office Hours: MWF 1:45-2:45

Class Meeting: MTuWThF 12:15-1:45, TH210

Prerequisite: Satisfactory completion of the ELM requirement

Textbook: Math for Business Analysis, Math 110, SFSU, Stefan Waner and Steven Costenoble (5th edition) (see also the note below on the homework)

Syllabus: We will cover Chapters 0-5.

Class Website: The address for this class is http://math.sfsu.edu/schuster/110summer2010.html

Attendance: Attendance will not be taken, but you are responsible for all announcements made in class and for all material covered in class. Please avoid late arrivals and early departures.

Examinations: There will be three exams.

First exam: Wednesday, July 21.
Second exam: Wednesday, August 4.
Final exam: Friday, August 13.

There will be no make-up exams for any of the exams. Missing an exam results in a 0 grade for that exam. The only exception is verified serious illness or accident.

Course Grade: Each exam is worth 20%, the homework is worth 30%, and participation is worth 10%.

The grade distribution is as follows: A (90%-100%), B (80%-89%), C (70%-79%), D (60%-69%), F (0%-59%).

Homework: The homework for this class will be done on-line. The web site for the online component is http://www.webassign.net If you bought a new textbook, the access code will come with the book. If you bought a used textbook, you will be required to purchase the access code online for $37. When you first sign up online, you will be asked for a class key. The class key is sfsu 4202 8403. You may also purchase an e-book, which costs $62 and includes access to the homework site.

Policy Concerning Electronic Devices: Use of electronic devices such as laptops and cell phones (including text messaging) is not permitted. A first infraction will result in a warning, a second will result in a 10 point reduction in your grade, a third will result in a grade of F for the class.
**Students with Disabilities:** Students with disabilities who need reasonable accommodations are encouraged to contact the instructor early in the semester. The Disability Program and Resource Center is available to facilitate the reasonable accommodations process. The DPRC, located in SSB 110, can be reached by telephone at 338-2472 (voice/TTY) or by email at dprc@sfsu.edu.

**Religious Holidays:** The faculty of San Francisco State University shall make reasonable accommodations for students to observe religious holidays when such observances require students to be absent from class activities.
