To Whom It May Concern,

This letter certifies that every course at SFSU which satisfies the B4 General Education requirement will also satisfy the CBEST math requirement as long as the student's grade is B- or better. The list of such courses is as follows:

CSC 110: Computational Thinking and Quantitative Reasoning
ISED 160: Data Analysis in Education
LCA 112: Quantitative Reasoning for Civic Engagement
MATH 107 and 108 together: Math for Business Calculus I and II
MATH 110: Business Calculus
MATH 124: Elementary Statistics
MATH 197 and 198 together: Prelude to Calculus I and II
MATH 199: Precalculus
PHIL 111: The Art(s) of Quantitative Reasoning
PSY 171: Quantitative Reasoning in Psychology

Sincerely yours,

Eric Hsu, Ph.D.
Chair and Professor, Mathematics Department
Partner Director, Center for Science and Mathematics Education
